

RENTAL INSTRUCTIONS

UPON ARRIVAL

You will receive the entry code the week before your stay.

We ask you to inspect the house upon arrival and when noticing any irregularities, report this immediately. Check the inventory as well and report possible damages or shortages within 4 hours.

DURING YOUR STAY

We wish you an enjoyable stay.

Keep your stay enjoyable for your living surroundings as well, with attention to the night's rest and life of your company and your neighbors.

If you have any questions, please check these rental instructions or contact our contact person (Karen Nys, 0470/633044) for further information.

UPON DEPARTURE

When you leave our holiday house, please make sure to follow these instructions :

- Assemble all bed and bath linnens in the entry hall
- Close all doors and windows. Leave the curtains open.
- Empty the refrigerator.
- Put all kitchenware and household utensils back in its rightful place (clean) in the cupboards/drawers.
- The dishwasher needs to be empty.
- Close the parasol.
- Empty the garbage cans in a black garbage bag. Put all black garbage bags under the roof of the bbq house.
- Close the lid of the jacuzzi.
- The end cleaning will be provided by our team.
- Although that we provide the end cleaning, we ask you to leave the holiday house sweep clean and that you will clean the used household and sanitary equipment.

- Outside, we also expect you to leave the terrace and environment tidy (no food rests, no cigarettes,...)

If these instructions are not followed, we will deduct any suffered damage or costs from the rental warranty you have paid.

We would appreciate it if you would like and follow our Facebook and Instagram pages. We also would love for you to write a review and give us your constructive criticism.
